BEN FROST LAST SERVICE

Sunday 26th October will be Ben's last service playing for us before he moves on to the fine church of St Martin-in-the-fields. We wish him well in his future! If you would like to contribute to a gift for him please speak to the vicar.

BUILD THE BELL TOWER

Our sister church in East India at Kunnam has undertaken to build a bell tower for their church, which in height and music will witness to the church in the community. St Margaret's was instrumental in building the church and is celebrated with a plaque on the church front and a photograph within. We are endeavouring to raise £6888 to help them in this endeavour.

CURRENT TOTAL: £5517.19

Taize Evening Services

Sundays at 6pm through October and November

This autumn we are offering a chance for a more informal style of worship using the chants of Taize. This will follow the pattern of an informal evening prayer but with music and silence offering time for reflection.

CHEERFUL GIVING

Thank you to everyone who has so far signed up to the Parish Giving Scheme. The website is currently down as they upgrade the system. We will report back on 2 November as to how well we're doing and continue to recruit regular givers through this month! Thank you also to everyone who helped and came to our drinks evening on Friday.

Thank you to everyone who has joined so far!

We've been moving forwards with the planned works for the garden this week with a contractor visiting to look at laying a new path in the side garden as well as looking to find a date to put in a new handrail for the side door. Coming soon! I've also been working on our audit for the eco-church awards system.

It's a hazardous and complex process (!) but I'm hoping to have it completed by the end of the month and we'll see whether with the works and changes of the last year we will qualify for the coveted silver award!
