VE Day at 80

It's a fitting match that this Sunday we commemorate the 80th anniversary of the End of the Second World War in Europe in church with a concert in the afternoon that will raise money to take aid to Ukraine. With celebrations going on across Putney and wider this weekend, we should be reminded how fragile peace is, how insidious the rise of populism and nationalism that are the bedrock of the forces that unleashed the greatest destruction the world has witnessed. May we pray for honesty, kindness and understanding at all levels of society which is the only means to retaining the hard fought for peace of former generations.
